

I'm Tired

©Kath Bee 2013

CHORUS

I'm tired, my head is heavy

I'm tired, my legs are weak

I'm tired, it's been a long day

And I, need to sleep

Put on my pyjamas and brush my teeth

One last trip to the toilet to do weeze

Climb into bed and maybe a bed time story

And then a kiss goodnight and turn out the light

CHORUS

Close my eyes and rest my weary head, on my pillow

Think of what I did today and what I might do tomorrow

Lots of happy thoughts to think and a little bit of yawning

Next thing ya know, I wake up, huh, and it's morning

CHORUS
