

## **DAD, I WANNA BE A CAMEL**

©Kath Bee 2002

Well, I went to the zoo just the other day  
And I saw lots of animals there  
I saw a couple of camels and a kangaroo  
And a big brown grizzly bear

### **CHORUS 1**

And I said “Dad I wanna be a camel,  
Or a bouncy kangaroo” and he said  
“You haven’t got a hump or a pocket in the front  
so you’ll just have to settle for YOU”

Well, I went to the zoo just the other day  
And I saw some birds in there  
I saw some geese and a swan and some parrots too  
And lovebirds in a pair

### **CHORUS 2**

And I said “Dad I wanna be a parrot  
Talking all night a day” and he said  
“Get some glue and a feather or two  
‘cos you’ve always got something to say!!”

### **BRIDGE**

Animals are fun to be around  
But with two legs and this face  
I’ve got to remember where I belong  
And that’s to the human race
