

At the Lib'ry

©Kath Bee 2010

Take a trip to Africa and back
Be scared by a ghost – enough to give you a heart attack
Follow the stars and land on the moon
No time like now, no time's too soon

Get sucked into cyberspace or sail a pirate ship
Drink that magic potion, go on, take a sip
Fly through the air without any wings
No time's too soon to do all of these things

Facts, fiction, fun or fantasy
Computers, comics, classics, comedy
Whether you're big small medium young youthful or old
There's always a story to read and always a story to be told

CHORUS

At the Lib'ry – have an adventure
At the Lib'ry – past present or future
L*I*B*R*A*R*Y HEY!
And if you've got troubles, it can help take your troubles away

Dream of being a star in a rock and roll band
Enter a secret world by taking hold of a hand
Learn to play cricket or learn how to cook
Whatever you want you'll find it, in the pages of a book

Science Fiction, silly or serious

Reference, Research or ridiculous

Ask a Librarian if you're not sure what to do

They're always willing to help and always as interested as you

CHORUS

Away ay ay – join the library today

Ay ay – read a book, what do you say?

Ay ay – take it home or stay

Ay ay - At the Lib'ry.
