

STUFF

©Kath Bee 2008

Sticky stuff like chewing gum and sticky tape and glue
Lcky stuff like slimy slugs and water in your shoe
Tricky stuff like saying "sorry", "thanks" and "I love you"

CHORUS

Stuff, stuff, lots of stuff, stuff everywhere.
Stuff, stuff, everyday stuff we humans share

Scary stuff like spiders or a nightmare in the night
Hairy stuff like Aunty Mabel's legs! What a SIGHT!
Teary stuff like when you've been told off or had a fight

CHORUS

Yummy stuff like biscuits, ice cream, apple pie and cakes
Tummy stuff like bellybuttons, rumbles, pains and aches
Crumbly stuff like toast and crackers, chips and pastry flakes

BRIDGE

Red stuff, blue stuff, "Mmmm" and "POO!" stuff
Some stuff's different, some's the same
Smooth stuff rough stuff, soft or tough stuff
Stuff we have in common as we play the human game

Stinky stuff like rotten eggs, off milk and babies nappies
Drinky stuff like water, juice or "I'll have a cup of tea please"
Clinky stuff like coins and metal buttons and the car keys

CHORUS

Quiet stuff like silence, whispers and the library too
Tie it stuff like bows and knots and laces in your shoe
Buy it stuff like food and clothes and books and games for you

CHORUS We humans share.
