

Enchanted Forest

©Kath Bee 2013

Toadstools and fairies and eyes looking down at you from the trees

Witches and goblins and whispers that carry on the breeze

Rhythmical waterfalls casting a spell on you

Find what you're looking for in the Enchanted Forest

Wizards and dragons and wild beasts howling to the moon

Fireflies dancing to music that draws you into its tune

Fountains of water that keep you young forever

Find what you're looking for in the Enchanted Forest

CHORUS

What will you see?

Magic and mystery

Let your imagination run wild

Soft moss and tree roots that come to life under your feet

What will you hear?

Secrets from nowhere

And music that comes from your heart

Such an adventure in the Enchanted Forest

INSTRUMENTAL

Snow-covered mountains and statues of ice that might follow you
Mist rising up from the ground forming shapes right in front of you
Rays of the sun shining patches of light through the trees
Find what you're looking for in the Enchanted Forest

CHORUS
