

## JUST CHILLIN'

©Kath Bee 2013

Sometimes I need some space  
Sometimes I need to calm down  
Sometimes I need a break  
I don't always have to be rushing round  
Sometimes I need some quiet  
Sometimes I need time out

### CHORUS

When that time comes  
If someone asks, I'll say  
I'm just chillin'  
I'm just relaxing'  
I'm kickin' back  
I'm takin' 5  
Yeah I'm just chillin'  
I'm hangin' out  
I'm unwindin'  
It's part of looking after myself

Sometimes I need a siesta  
Sometimes I need a rest  
Sometimes I need some peace and quiet  
I don't always have to be full of zest

Sometimes I need some silence

Sometimes....no responsibilities

CHORUS

BRIDGE

I could read a book

Or watch a movie

Or play with my toys alone

Listen to some music

Or blob on the couch

Or talk to a friend on the phone

Whatever helps me to recharge my batteries

I'll do it and I'll say to you HEY

CHORUS
