

Now Stop

©Kath Bee/Doug Stenhouse 2015

Jump, jump, jump, jump, jump around
Like a weta, like a weta does
Jump, jump, jump, jump, jump around
Like a weta does, like a weta does
And now STOP!

Hop, hop, hop, hop, hop around
Like a bunny rabbit, like a rapeti
Hop, hop, hop, hop, hop around
Like a bunny rabbit, like a rapeti does
And now STOP!

CHORUS

Walk like a human
Buzz like a bumble bee
Flit like a dragonfly
Stand tall and straight like a kauri tree
Don't bend your knee

Swim, swim, swim, swim, swim around
Like a slippery eel, like a tuna
Swim, swim, swim, swim, swim around
Like a slippery eel, like a tuna does
And now STOP!

Fly, fly, fly, fly, fly around
Like a kereru, like a kereru
Fly, fly, fly, fly, fly around
Like a kereru, like a kereru does
And now STOP!

CHORUS

Jump, jump, jump like a weta does
Hop, hop, hop like bunny rabbits do
Swim, swim, swim like a slippery eel
And fly like a Kereru
Slowing down.....
And now STOP!!
