

## WHEN IT'S JUST ME

©Kath Bee 2008

I like to laugh (I like to laugh) I like to laugh until I cry  
I like to sing (I like to sing) I like to sing and not be shy  
I like to laugh and sing to almost anything  
And I can do it by myself

I like to jump (I like to jump) I like to jump and feel tall  
I like to run (I like to run) I like to run until I fall  
I like to jump and run because it's lots of fun  
And I can do it by myself

### CHORUS

Well there are times (there are times)  
When it's just me and me, and it's OK (it's OK)  
'cos I know I can be  
\*Where I like, what I like, when I like, who I like and how I like you see  
When it's just me

I like to read (I like to read) I like to read my favourite book  
I like to act (I like to act) and dress up just like Captain Hook  
I like to read and act and as a matter of fact  
I can do it by myself

### BRIDGE

Call it selfishness (call it selfishness)  
Call it solitude (call it solitude)  
Call me a loner or call me rude  
But I can be.....(back to \*)

I like to dance (I like to dance) with the music loud  
And I pretend (I pretend) that there's a great big crowd  
I like to dance and pretend and in the end  
I can do it by myself

### BRIDGE

Then CHORUS from: I can be.....  
When it's just me X2
