

BRAND NEW SHOES

©Kath Bee 2008

Walking around in my brand new shoes
Isn't it great that they come in twos
Walking around in my brand new shoes
Walk, walk, walk, walk, brand new shoes

Skipping around in my brand new shoes
Look at them shiny, so clean never used
Skipping around in my brand new shoes
Skip, skip, skip, skip, brand new shoes

CHORUS

New shoes, whose shoes?
My shoes, two shoes
Red, yellow, orange, green
Or any colour in between
New shoes, I choose x2

Hopping around in my brand new shoes
I want to tell everybody the news
Hopping around in my brand new shoes
Hop, hop, hop, hop, brand new shoes

Dancing around in my brand new shoes
Makes me so happy, I won't get the blues
Dancing around in my brand new shoes
Dance, dance, dance, dance brand new shoes

CHORUS

Running around in my brand new shoes
Doesn't matter if I win or lose
Running around in my brand new shoes
Run, run, run, run brand new shoes

CHORUS
